Monsoon Mountain

SAPUTARA

Gujarat's beautiful hill station turns bride-like during the monsoon season. The heartening fresh green shades make the hill look bejewelled. Forests, hills and valleys beckon with an irresistible charm. Trekking in the ravishing wild trails or boating in the serene lake, you will feel the energy of a virgin environment.

That's not all. Many more thrills await visitors at Saputara during the Monsoon Festival starting from August 12, 2017. The invigorating surroundings form the delightful settings for the exhibitions, interactive games, cultural programs, competitions, fun contests, flash mobs, floating balloons, cartoon characters, and much more activities organized as part of the festival.
